Healthy St. Petersburg

ORLANDO  
HEALTH®

Bayfront  
Hospital

# FUNDED PARTNERS

**2023 – 2024**

The Foundation partnered with Orlando Health Bayfront Hospital to jointly award \$4.8 million in grants in 2023 and 2024 for capacity building, professional development/training, programmatic operations, and multi-sector collaboration in the priority focus areas of Mental Health and Wellness for BIPOC and Economic Equity and Justice. All work is focused on the three zip codes of the South St. Petersburg Community Redevelopment Area (33705, 33711, 33712).

# Priority Focus Areas

## **MENTAL HEALTH AND WELLNESS FOR BLACK, INDIGENOUS, AND PEOPLE OF COLOR (BIPOC):**

We fund work that helps create the ability for Black, Indigenous, and other People of Color to be emotionally, socially, and psychologically healthy with equitable access to resources that create and promote wellness.

## **ECONOMIC EQUITY AND JUSTICE:**

In support of inclusive growth, we fund work that creates conditions under which individuals can live fulfilling and sustainable lives free from concerns of meeting their basic needs; we also fund work that challenges and transforms the systems that keep unjust economic conditions in place.

# Funding Categories

## **CAPACITY BUILDING, up to \$10,000:**

Examples of capacity building include but are not limited to board development, implementation of new technology, staff training, reconfiguring use of a space, and/or website development.

## **PROFESSIONAL DEVELOPMENT / TRAINING, up to \$100,000:**

Examples of professional development / training include but are not limited to: attending conferences; providing training to staff, collaborative partners, residents, etc.; creating a training curriculum and/or train-the-trainer classes.

## **PROGRAMMATIC OPERATIONS, up to \$250,000:**

Examples of programmatic operations include but are not limited to program staff, supplies, equipment, transportation, facilities, and/or consultants.

## **MULTI-SECTOR COLLABORATION, up to \$500,000:**

Examples of multi-sector collaboration include but are not limited to wraparound services, collective impact, and/or data-sharing technology development and deployment.
